LOCAL SELF-GOVERNMENT SECRETARIAT

No. G. 3050—*G.M.* 1-38-22, *dated 6th October* 1938.

The following communication received from the Consul-General for Belgium at Bombay, to the Secretary to the Government of India in the External Affairs Department, No. 3215, dated the 28th July 1938 and the note from the Belgian Consul-General is published for general information:—

Subject:—Note of Belgian Government regarding Regulations and Formalities to be observed by foreigners intending to settle in the Kingdom of Belgium.

I have the honour to inform you that I have been directed by His Belgian Majesty's Foreign Office, Brussels, to forward to you the enclosed Note with a request that you will be so kind as to bring it to the knowledge of the Departments concerned and to communicate it to the Political Residents in the Native States, for the information and guidance of persons intending to proceed to Belgium in order to settle permanently in the country.

I should therefore feel grateful if you would kindly have the same, inserted free of charge, if possible, in the Official Gazette and other publications.

I have communicated the same to the Governments of the Provinces of Bombay, Madras and Sind and the Belgian Consulates in these Provinces.

With my best thanks in anticipation,

Note from the Belgian Consul-General.

Attention of the public is hereby drawn to the fact that foreigners desirous of settling permanently in Belgium must first provide themselves with the documents prescribed by the International Agreements (identity cards, passport, visa). Those Agreements are based on the principle of the strictest reciprocity.

To admit that a foreigner may enter Belgium with impunity in contravention of these Agreements, is to abolish at once the International Agreements, to the sole benefit of foreigners, without equal facilities for the Belgian Nationals who shall continue to be bound by these Agreements.

Strict instructions have been issued to the Police and the Customs Officers in order to prevent foreigners from entering Belgium who without being in possession of the necessary papers try to cross the Belgian boundaries.
